

UNIFIN's Ratings Affirmed by Standard & Poor's

Mexico City, Mexico, September 18, 2019 – UNIFIN Financiera, S.A.B. de C.V. (BMV: UNIFIN) (“UNIFIN” or “the Company”), announces that yesterday, the credit ratings agency Standard & Poor's affirmed UNIFIN's rating of 'BB' on a global scale and 'mxA/mxA-1' on a national scale. The outlook is 'negative'.

According to S&P, UNIFIN continues to reflect a solid and stable revenue generation [primarily, due to its position as one of the largest leasing companies in the local market], despite the competitive environment and adverse conditions of the Mexican economy.

The negative perspective excludes the Company's stand-alone credit profile and is directly linked to the sovereign's perspective.
